Michael's and Magdalena's parents are not known to us

*Note 1: material in small type is written by BFE (Barbara Ann Fisher), wife of KFE (Karl Frederick Edler Jr), while material in large type is from our family history database maintained by KFE.*

*Note 2: names of direct ancestors of BFE are underlined.*

*Note 3: when Michael Glück and Magdalena Seitz were born, Hessen was part of the Holy Roman Empire. After 1806, Hessen was divided and Lohrhaupten was in Hessen-Kassel. After 1868, when Hessen-Nassau was formed, Lohrhaupten was included.*

**I. Michael<sup>1</sup> Glück**,<sup>1</sup> born about 1646, married Magdalena Seitz 17 Jul 1676 Lohrhaupten Parish, Hanau, Hessen; at least one child. She was born about 1655. We haven't found anything about the Seitz family or the earlier Glück family. He died 13 Jan 1690, age about 43. She died about 1705, age about 50.

Lohrhaupten is about 50 km due east of Frankfurt, not far north of the border of present-day Bavaria. Earlier we thought it was inside Bavaria, but it's in present-day Hessen. The border in the area is convoluted. It's a resort area for locals, perhaps somewhat comparable to living in Philadelphia and going to the Poconos for the weekend. The village and surrounding area seem to us a bit like Wardensville WV.

In 1991, three of our family (Karl, Fritz, and Hilde Edler) went to Lohrhaupten as part of a trip to visit friends in Germany and Netherlands. They came home with stories of the beautiful countryside. In 2000, after a trip to Braunschweig, Netherlands, and Poland, two of us went there (second time for Karl and first for Barbara). We noticed that folks certainly take pride, using brooms and dustpans to tidy the sidewalks and gutters. Lots of Glücks in the churchyards, although no evidence of where Barbara's ancestors would've lived. We've wondered why they left; perhaps there was a charismatic leader and a group left together.

Lohrhaupten itself is quite small and appears unchanging. There are barns right in town, and in 1991 there was a manure pile by the sign at the crossroads, about 20 yards from the churchyard. In 2000 there was a house where the pile had been. There is, and has been, timbering in the surrounding forests but, even in 2000, it wasn't as built up as many similar places. It's popular partly because of its unspoiled countryside and its nearness to industrial areas on the River Main.

Magdalena's parents were Michael Krug and Clara Weygands. He was born about 1653. She was born 1686. She died 1752, age about 66. We haven't found anything else about the Krug or Weygand families.

from page 5-1

Johannes' parents were Lorenz Glück and Magdalena Krug  
 Anna Magdalena's parents were Peter Herr and Anna Freund

Karl, Barbara and Fritz Edler visited the graves of Johannes and Anna Magdalena. The stones are nearly unreadable but we had a photograph in a book plus other references, and we felt sure we were correct. It was a rather tremendous feeling, these ancestors who came to this country so long ago.

Our line is through Johann Peter, the youngest child, born in Pennsylvania. We were pleased a few years ago to find a sixth cousin, Donald Kenneth Wilson, who lived not so far away in northern VA, and was born the same year as Barbara. He is descended from Albrecht Daniel, one of the older children who were born in Germany.

a. Maria Elisabeth<sup>4</sup> **Glück** was christened 4 Feb 1746 Lohrhaupten Parish, Hanau, Hessen.

b. Johann Georg<sup>4</sup> **Glück** was christened 8 Jun 1747 Lohrhaupten Parish, Hanau, Hessen.

Johann Georg must have died as an infant. We know multiple sons were often given the same first name, but we do wonder when we see the same second name.

c. Johann Georg<sup>4</sup> **Glück**, born 24 Dec 1749 Lohrhaupten Parish, Hanau, Hessen, married Mary Elizabeth **Herr** and married Margaret **Herr** -- see page 5-3.

d. Johann Philip<sup>4</sup> **Glück**, born about 1750 Lohrhaupten Parish, Hanau, Hessen, married Susannah **Bieber** -- see page 5-7.

e. Albrecht Daniel<sup>4</sup> **Glück**, born 1752 Lohrhaupten Parish, Hanau, Hessen, married Christina **Bieber** -- see page 5-11.

f. David<sup>4</sup> **Glück** died young in Pennsylvania.

We don't know David's birthdate, and his birthplace is given variously as Lohrhaupten and Pennsylvania. We think he was probably born in Lohrhaupten before the family emigrated in 1754 but did not live very long after they arrived in America.

g. Heinrich<sup>4</sup> “Henry” **Glück** was born 15 Dec 1755 Albany Twp, Berks Co PA. He married Eva Catherine **Strauser**; no children known to us. He died 19 Dec 1804, age 49.

h. Georg Friedrich<sup>4</sup> **Glück** was born about 1760 in PA.

i. Johann Peter<sup>4</sup> Glück, born 2 Jan 1768 Allemangel, Berks Co PA, married Anna Mariah Barbara Schumacher -- see page 5-13.

and their descendants**

and

**JOHANN GEORG GLÜCK and MARGARET HERR (b c1763) and their descendants  
from page 5-2**

Johann Georg's parents were Johannes Glück and Anna Magdalena Herr  
Mary Elisabeth's and Margaret's father was Peter Herr Jr

c. Johann Georg<sup>4</sup> **Glück**, usually known as George Glick, was born 24 Dec 1749 Lohrhaupten Parish, Hanau, Hessen. He married Mary Elisabeth **Herr**; at least two children. She was born about 1752. Her father was Peter Herr, Jr. She died about 1779, age about 27.

Secondly, he married her sister Margaret **Herr**; at least eight children. He probably went with his brother Phillip to Ohio in 1804 to claim government land. George died 18 Dec 1816, age 66. Margaret died about 1834, age about 73, buried Sand Hill Cemetery, Mt Carmel IL.

*Note: Much of our Glück family information was taken originally from the files of Donald Kenneth Wilson. For this revision of "All-People" we have added material from various sources on the Internet. We are displaying most of it in a compressed manner to save space, because we have verified very little of it. We hope this will be helpful to a future researcher.*

We visited them in May 2002, and were pleased to see everything well kept up and very attractive. Many of the stones there are beautifully carved and lettered.

**JOHANN PETER GLUCK (b 1768) and ANNA MARIAH BARBARA SCHUMACHER (b 1767)  
and their descendants**

from page 5-2

Johann Peter's parents were Johannes Glück and Anna Magdalena Herr

Anna Mariah's parents were Daniel Schumacher and Maria Elizabeth Steigerwald

i) Johann Peter<sup>4</sup> Glück,<sup>1</sup> usually known as Peter Glick, was born 2 Jan 1768 Allemangel, Berks Co PA, and christened 27 Jan 1768. He married Anna Mariah Barbara Schumacher; nine children born in PA. She was born 12 Sep 1767. Her parents were Daniel Schumacher and Maria Elisabeth Steigerwald. Peter went to Ohio in 1904 with his brothers to claim government land, and he moved his family there soon afterwards. He died 20 Jun 1807 Bloom Twp, Fairfield Co OH, age 39. Anna Mariah died 1 Jan 1835, age 67. They were buried Old Glick Church (see note on page 5-10).

ANNA MARIAH'S FAMILY -- Her father, Daniel Schumacher, was son of Johan Georg Schumacher and Maria Elisabeth [Schumacher]. Anna Maria's mother, Maria Elisabeth Steigerwald, was daughter of Georg Steigerwald and Anna Margaretha [Steigerwald]. We haven't found anything else about the Steigerwald family or the earlier Schumacher family.

Peter is said to have been killed in a barn raising accident. This seems so sad, his death would have been shortly after the family's arrival in Ohio. Anna Mariah was only 39 when she was widowed, with the youngest child only 2½ years old. We hope she was able to marry again. If she did, her second husband could be buried elsewhere, possibly with an earlier wife.

a) Mary<sup>5</sup> **Glick**, born 11 Apr 1788, married John **Ritter**. She died 9 Sep 1877, age 89.

b) Heinrich<sup>5</sup> “Henry” Glick, born about 1790, married Maria Eva Swander -- see page 5-14.

**b) Heinrich<sup>5</sup> “Henry” Glick<sup>1,4,5</sup>** was born 23 Oct 1787 Whitehall Twp, Lehigh Co PA. He married **Maria Eva “Polly” Swander**; six children. Her parents were Jacob Schwander and Barbara Guerster, page 5-5. Henry died about 1857 Bellefontaine, Logan Co OH, age 67, buried Hodge Cemetery, Bloomfield Twp, Logan Co. Born about 1793, Maria Eva died about 1863, age about 70.

Polly's sister Catherine married John Glick, page 5-3. Polly was an aunt of Anna Mariah Swander, who married Henry's brother Benjamin, page 5-13. Many marriages were within the same group of neighbors. The children grew up knowing each other, and supporting families were at hand.

One researcher<sup>9</sup> suggests that Henry may have married a second time, to Anna Margaretha **Dildine**, born 8 Jun 1793, and also suggests names of several more children. There appears to be some confusion about names and dates, and we have chosen not to assign a second marriage for Henry.

**vi)** Henry<sup>6</sup> **Glick**, born 22 Aug 1828, married Ann Catherine **Shull** 29 Nov 1849 Logan Co OH; ten children.<sup>9</sup> She was born about 1832 (age 28 in 1860 census of Bloomfield Twp, Bloom Center OH).

They moved to Missouri in 1860 or early 1861. In 1870 they were living Wakonda Twp, Carroll Co MO, next to BFE's great-grandparents John Wesley Cole and Annie Rebecca Badger, Section 6b.

In 1880 Henry and Ann were living Blue Mound Twp, Livingston Co MO, with their daughter Emma and her husband in their household. Henry and Ann's sons Peter and John and daughter Naomi, and their families, were living nearby. Henry died 23 Dec 1915 Livingston Co, age 87.

BFE's grandmother ECF (Edith Cole Fisher) said Henry had a large farm in Braymer MO, not far from Dawn MO, and most of his children settled in the same area. ECF visited her cousins on the farm, and said she was sometimes the only non-Glick person there.

**(a)** Peter Sylvanus<sup>7</sup> **Glick** was born 24 Jan 1851 Bellefontaine, Logan Co OH. He married Sarah Elizabeth **Walton**; two sons born in MO: George H about 1878, and Harry B about 1879.

**(d)** Warren Chase<sup>7</sup> **Glick** was born 2 Oct 1857 Bloomfield, Logan Co (Aaron C, age 3, in 1860). We think he was known by his middle name (Chase, age 13, in 1870). He married Katherine Clare **Lewis**; two sons born in MO: Henry about June 1882, and Sherman about Feb 1894.

**(e)** Emma Deborah<sup>7</sup> **Glick** was born 24 Nov 1859 Bloomfield (shown in 1860 as Emma DeVora, age 1). She married John A **Turner**; two sons born in OH: Earl about 1881, and Laurence about 1890.

**(f)** Sarah Margaret<sup>7</sup> **Glick**, born 9 May 1861 Carrollton, Carroll Co MO, married James Eli **Hudson**; son Lee born about 1881 in MO. She died before 1900 (James shown as a widower in 1900).

10. There has been some disparity among researchers regarding Eliza and Phoebe Glick, daughters of Henry Glick and Sarah Peters, page 5-10. Some say there was only one person, Eliza Phoebe (or Phoebe Eliza), born 2 Nov 1823. Because there are separate birthdates for Eliza and Phoebe, we think it likely there were two daughters, the older of whom may have died early.
